Thank you to all the volunteers who helped with Time Trials!
They were a success and everyone did a great job!

Attention all Laker parents:

Using the Huntsville Aquatic center is a privilege and one which can be revoked if we are not on our best behavior. Last week there was an incident in the boys bathroom. All the toilet paper was removed from the stalls and then soaked in the sinks. It was a huge mess. Also, there has been some horseplaying in and around the bathrooms. Parents, please supervise your children when they are using the bathrooms (especially the younger children). If any one witnesses any horseplaying or destructive behavior please report it ASAP to a board member or the appropriate parent, if necessary so we can keep the facilities clean and tidy. Don't forget to clean up any trash when you leave. Thanks!

Attention Pre-Lakers-

Pre-Lakers will end May 27th for any child who cannot swim the full length of the pool (25 yds) unassisted and without using the lane lines by that date. If you think your child is ready to swim the entire pool, the coaches can test them and make a decision.

Thank you for all your Coke products!!
We appreciate your support!
