

SPLASH NEWS

The **Divisional** Swim Meet last Saturday was a great success with the Huntsville Lakers coming in third place in the meet. Many thanks go to all of the parents, swimmers and coaches that helped to make this meet a success.

The **Award's Picnic** will be **Thursday, June 30, at Huntsville Intermediate School at 6:00 pm.** Remember to bring a covered dish for the dinner. We are also needing items for the silent auction.

The **Red, White and Blue, All Stars, and Ponderosa** meets will be this weekend in Houston. Congratulations to the 38 swimmers that qualified for these meets. If you need more information about these meets, go to the Laker website and click on the Invitational tab.

The **Texas Amateur Athletics Federation (TAAF) regional meet, which is open to swimmers age 5 through 99,** will be held July 11 in Huntsville. Swimmers that place 1st-2nd in an event move on to the state meet to be held in San Antonio July 24-27. The last day to sign-up for this meet is June 30.

For more information about the TAAF organization and swim meet go to www.taaf.com and click on swimming, visit the Laker website www.huntsvillelakers.net, or talk to Coach Rick or Chris Cirrito. Swimmers who qualify for the state meet must let the officials know their intentions to attend or not attend the state meet **before** they leave the July 11 regional meet. Swimmers in third place or lower may have the opportunity to participate in the state meet if the first or second place swimmer chooses not to attend the San Antonio state meet. If a swimmer places first through third in the state meet, they have the right to attend the State Games of America held August, 2011, in San Diego, California.

The **Laker Board** is looking for new members for the 2010 season. Please consider taking your turn on the board and helping out the swim team.

This has been a great season for the team. We want next year to have even a larger team. **Therefore, make it your goal for next year to invite at least one new swimmer to join the Lakers.**

If your swimmer is interested in year-round swimming, consider the Aggie Swim Team, a USA swim organization. The team practices at the Huntsville Aquatic Center under the direction of Rick Stanfield. For more information about this year-round swim program, see Rick Stanfield, Matt Wagner, or go to www.aggieswimclub.org.
