Divisionals

Set-up is at 5:45 a.m. • Warm-ups are 7-7:20 a.m.

Saturday's meet is our Divisional meet and it will be home. We need as many volunteers as possible. We are in charge of set-up and clean-up, computer/ribbons, ready bench, heat sheet sales, and concessions. This will be a long meet so plan to be at the pool until 2-3 in the afternoon. There will be no tent set-up in the pool area. Heat sheets will be \$3. Any swimmer can participate as long as they have swam in at least two meets and have a qualifying time in that event. There will be no late entries, no on deck entries and no changes after Wednesday.

Don't forget to sign up for a duty on Saturday—We cannot successfully host this event without your participation.

Invitationals

Congratulations to swimmers who qualified to participate in an invitational meet. Please visit the computer table to sign up and let the coaches know whether your swimmer will participate in an invitational. Forms and payments for individual events are due no later than the close of our Divisional meet on Saturday, June 25. If the entry fee is too much of a burden, please see a board member concerning scholarship funds. It would be helpful if you can sign up for invitationals at Thursday's practice, so that the computer staff do not have so many entries to prepare on Saturday night.

Lakers' coaches will be present at Red White & Blue and Ponderosa invitational meets. Coach Tom will be at Red White & Blue and the coach to be at Ponderosa is to be determined.

Other invitationals are Summer Quest Champs and All Stars—please see the coaches for back-up files if you plan to enter your swimmer in either of these invitationals. Please check out the NWAL website for directions and other information about the invitationals.

All information concerning these invitational meets can be found at: www.nwal.org

Calendar Reminders

Practice (afternoons) Session 1 (5-5:30); Session 2 (5:30-6:15); Session 3 (6:15-7:30) New Morning Session Session 1 (7:30-8); Session 2 (7:30-8:15); Session 3 (8:15-9:30)	June 20-23
Divisional Meet at home	June 25

Invitationals	July 1-3
Huntsville Lakers End of Season Party	July 11

Team/Party Awards Night

We hope the weather cooperates for this event on July 11. It will be at the public pool with a brief awards program from 5:30-6:00 p.m. and then from 6-8 p.m. both pools will be available to swim and play in. Please bring a dessert or fruit to share. We would also like to have a silent auction as a final fundraiser, so if you want to donate something, please let a board member know. No live animals for the auction, please.

TAAF stands for Texas Amateur Athletic Federation. The TAAF meet is the precursor to the Texas Amateur Games of Texas and will be held in Killeen on July 16 with entries due July 5. For further information, please contact Linda Hill at leader8093@yahoo.com. To find out more about the Texas Amateur Games of Texas visit www.taaf.com.
